PROFESSIONAL EXPERIENCE

Fortuitous Investment Group, Inc. (Principal)

2012 – 2013

Real estate, finance, valuation, and economic consulting.

UDR, Inc. (S&P 400 REIT, Senior Analyst)

2011 – 2012

Directed the development and investment analysis for \$1.3B in real estate. This included 200+ acres of multi-family, retail, and office space.

- Presented investment analysis and recommendations to CEO and other key executives.
- Completed risk and return analysis and comparisons for 30 developments averaging \$120M+.
- Determined appropriate cash flow magnitudes and timing through in-depth market analysis and research. This included construction and entitlement cost estimates along with net income estimates.
- Prepared in-depth Excel models for potential private equity and investment banking capital partners.

Evergreen Devco, Inc. (Real estate company, Associate Acquisitions Manager)

2007 – 2010

Directed the acquisition and development analysis for over 500 potential real estate investments.

- Directed the construction and entitlement analysis for 380+ investments submitted to investment committee with 105+ investments being approved.
- Evaluated the condition of existing building and site work systems to determine construction cost and scope of work estimates. This included evaluating the following building systems: mechanical, electrical, plumbing, architectural, structural, roofing, waterproofing, and exterior skin systems.
- Directed architect, contractor, and consultant teams in analyzing feasibility and due diligence on multiple sites at a given time, consistently exceeding rigorous internal and external time frames.
- Sourced 95+ potential investments, including off-market opportunities, through multiple self-search methods in addition to leveraging key investment broker, leasing broker and banking relationships.
- Sourced, assembled and presented 75+ development opportunities to Walgreens real estate team.
- Negotiated Purchase Offer, Letter of Intent, and Lease deal terms.

Rudolph & Sletten, Inc. (Biotech general contractor, Senior Project Engineer)

2003 – 2007

Managed \$30M in construction activities on a \$400M Kaiser Permanente hospital development.

- Negotiated and awarded subcontractor contracts detailing pricing, scope of work, and time frame agreements.
- Negotiated pricing and scope of work change orders with subcontractors and owner representatives.
- Created and maintained project schedules for multiple subcontractors based on task durations and predecessor and successor task relationships.

C&S Engineering (Residential construction management, Assistant Project Manager)

2002 – 2003

Worked with developer, city officials, and contractors to initiate a 12-lot single-family residential development.

- Evaluated subcontractor submittals and responded to requests for information regarding contract documents.
- Created, analyzed, and updated project schedules.

Hensel Phelps (General contractor, Field & Office Engineer Intern)

summers 2000 – 2002

Managed construction activities on a residential loft project and a United States Disciplinary Barracks.

- Oversaw the quality and accuracy of field work for 5+ subcontractors.
- Coordinated and obtained Closeout Documents for 55 Subcontractors on the residential loft project.
- Placed horizontal and vertical control lines for subcontractors from first through fifth floor.

Walbridge Aldinger (Industrial general contractor, Project Engineer Intern)

summer 1999

Managed assembly line renovations at a DaimlerChrysler manufacturing plant.

- Negotiated and awarded subcontractor contracts including pricing and scope of work agreements.
- Oversaw the quality and accuracy of subcontractor performance.
