

CEO SPEAKER SERIES

Moderated by Spencer Coutts, this CEO Speaker Series brings real estate leaders to campus for candid conversations about their journeys, challenges, and successes. Each event features an hour-long discussion followed by an interactive Q&A session, creating an invaluable opportunity for students to gain real-world insights from accomplished executives.

Recent USC graduates and real estate professionals will also join these events to share their experiences transitioning from student to professional, offering a complete perspective on career development in real estate.

Join us for engaging discussions, meaningful networking, and complimentary pizza. This series is part of a joint collaboration between TREA and MREFA.

Under USC policy, minors are to be supervised at all times by a parent or legal guardian, or by another authorized adult (e.g., teacher); for safety reasons, DPS shall be notified if a child is left alone or unattended on campus.

All visitors must preregister to access campus.
